## STILL WONDERING WHAT

## COWORKING IS?

For us, it's a place where startups, freelancers, small companies, and remote employees come together to share resources and ideas as one working community.

## OUR VISION

WacoWork is a place to see connections, relationships, and opportunities form through a coworking space that is created with a bit of quirkiness to make every day at the office a memorable one.

The aim for the community within WacoWork is to be dynamic and innovative, and an example of what happens when professionals of different trades work alongside one another.
